

## TITAN SOUND BAND BOOSTERS ORGANIZATION, INC

Dear Sponsor,

The **Titan Sound Marching Band, Color Guard, and Concert Band** are some of the high school band programs in Davie Florida. This program facilitates approximately 60-70 kids per marching season. These kids are extremely dedicated and hard working; above all, they love music and strive to ensure that their band succeeds. They have competed successfully in various competitions including 1<sup>st</sup> place in Winds for 2015 as well as 4<sup>th</sup> place in SFWGA Championships for 2016.

Marching is a very challenging, competitive, time consuming and difficult activity. Competitions can equate to a 16-hour day; with kids arriving at school at 7AM and not returning from competition until 11PM or later at times. When they are not competing, these kids practice, practice, practice...for hours and hours on end, all the while maintaining their grades and academic commitments. So why do these kids participate in such a demanding and rigorous program? For one reason; these kids LOVE it.

We need your help! Many of these kids come to practice and competitions hungry and without the proper supplies needed to succeed. The Titan Sound Band Booster Organization is a group of parents who volunteer their time, money and resources to help these kids. The booster provides food, money for props, maintenance of equipment, supplies, team shirts, clinicians to help train the kids and so much more.

The booster organization cannot do this on its own! Success like this does not come without expenses. One of the ways we raise funds is through the sale of ads for our annual program. We need your support to make this 2017-2018 school year a great one for the **Titan Sound Marching Band**. Your support will help Titan Sound with the funds needed to ensure that we can be fully functional all year long and into the future.

Enclosed is a Sponsorship Information Sheet that explains the sponsorship levels and benefits in more detail. Your donation will show your support for these fine hard working kids and your community school.

Sincerely,
